Bolivia Site Visit

In September I traveled to southern Bolivia to visit several future sites for Pathfinders.

Missionary **Rich Farthing** drove me to the back country of Bolivia which is home to the Guarani Indians. The Guarani are the third largest people group of Bolivia. They are hard working people but their income is equal to about 100 US dollars per year.

The possibility of them accumulating 10,000 dollars to build a church is slim.

This is where Pathfinders can make a difference. Two teams are planned to this area in April, 2005 to complete two churches for the Guarani people.

We would like to thank **Bellshire A/G** in Tennessee for sponsoring the material for the first church in honor to the memory of Sheila Wiley. Sheila was the youth leader for Bellshire for several years and daughter of long time Pathfinder Tim Brown.

Children in Bolivia waiting for their church

Frontier Camping Fellowship

Thanks to Tennessee FCF for raising over \$1000 in their mission's auction at the District Trace.

Parker Arizona

Valley A/G, in Parker Arizona is a church on the Colorado River Indian Tribe Reservation. This was the site of a Bronze Project to renovate the bathrooms, sanctuary, foyer and roof the church. Savannah Pastor, **Ronnie Sanders** knew he was going to work for a week but little did he know he would be the guest evangelist for four nights. What a great job he did in both areas. We got all the work done except for the carpet for the sanctuary. I will be looking for a few men to complete this task soon. What a great winter break that will be.

The women's ministry prepared wonderful meals for us each day. At the end of the week the men played tourist in Oatman, AZ. Ever heard of that one? I try to bless the men with a little adventure and a short ride to one of the old west gold mining towns was truly one.

Arizona Slim Helps out in Parker

Mississippi Commanders Conference

Mississippi is preparing to conduct their first Bronze Pathfinder Project to Arizona next Spring. It was a pleasure to be their guest speaker to promote and encourage their missions' work. Thank you Mississippi for your hospitality and allowing me to share my heart with you.

Itineration Trail

Can you believe it? We have been iterating for one year. We believe all our churches can be involved in missions regardless of their size. If you are having a mission's emphasis give us a call and let us share how you can get on the field.

As of 10/31/04 we have raised 76% of our monthly support. Thanks so much for your faithfulness.

Upcoming Projects:

April 1, 2005—Mississippi Pathfinders to Arizona

April 15, 2005— TN Gold Pathfinders to Bolivia, SA

April 23, 2005— Second team to Bolivia

Mission services:

We would like to thank **Pastor Dan Doty** and his lovely wife, Katrina for allowing us to share with their congregation in **New Brockton, Alabama**. They are interested in helping plant a church in 2005. And thanks to Braden for sharing his room with us.

Can a man be a missionary in his home town? We would like to thank **Pastor Charles Blythe** for allowing us to be guest missionaries during our Mission Convention in **Columbia, TN**.
