Pathfinders deliver Christmas Gifts

A couple of months ago a Pathfinder team left the Colorado River Indians with almost a new looking church. Five days before Christmas four men returned to deliver the finishing touches of installing 216 yards of brand new carpet. It was a joy to watch the congregation walk into their fresh smelling sanctuary for their Christmas service.

While we were there the tribal council chairman noticed all the activity and ask if we would like toys to distribute to all the Children in the valley. Of course we said yes and began to load the van with brand new toys for the boys and girls.

What is a Bronze Pathfinder Project?

A Bronze Project is a home missions project outside of your district and approved by the US Maps office. The project consists of 5 work days not including travel. Examples of some of these are: District/National Campgrounds, Dream Centers, Indian Reservations, etc. If you need information on coordinating or just getting started give me a shout.

Thanks to West TN sections for allowing me time at your Ranger training events to share about the Pathfinder Ministry.

TN. District Commander Conference

We were very blessed to be a part of the Tennessee conference. Ranger leaders from across the state donated items to our mission efforts and the items sold at auction for \$1800.
