

PATHFINDERS

TEAM TO BELIZE COMES FROM SEVEN CHURCHES

Belize camp project

The Belize Camp is under way. The first cabin has arrived and been wired and plumbed. The septic tank is now in place for the next five cabins. When the water and electric are hooked up the first cabin will be ready!

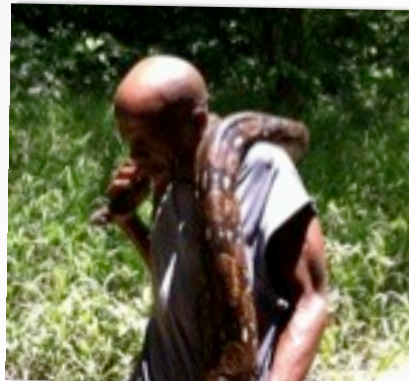

Pledges for the cabins were committed at the Tennessee District Council. When that money comes in more teams will be needed to make the cabins functional.

If you are interested in being a part of this project that will change the lives of

many of the boys and girls in Belize City and all of Belize, please contact me or Missionary Nathan Lambert.
